

NOTICE

Optional physical classes resume on 7 April, 2021. Boarding House facilities were scheduled to resume on 06 April, 2021. Due to the prevailing public health situation, this has been deferred to 12 April, 2021.

This is dependent on the public health situation at that time. Resident Scholars are to report to the College on Sunday, 11 April, 2021 by 5.00 p.m.

Resident Scholars may reside with local guardians and attend classes as day scholars, if they so desire. They may join the Boarding House as soon as those services resume.
