

NOTICE

La Martiniere College, Lucknow has been pleasantly surprised by the responses of some parents to the action of the College in adjusting/refunding fees, up to 15%, paid during the session 2020-21 upon the directives of the Supreme Court of India and the State Government. **Such parents have requested that a method be devised for donation to the College of the said amount towards poor scholars, whose families are still struggling from the financial impact of the Covid pandemic.**

Your donation shall be gratefully received towards the expenses for poor scholars. Besides recognising your generosity, it shall also be evidence of the financial stability that has been restored to your family. A receipt for each donation shall be automatically generated, which may be downloaded and used to claim tax benefits under Section 80G of the Income Tax Act., 1961.

Keeping this in mind, the College fee portal is now equipped with a mechanism for easy donation to the College. Follow the simple procedure by clicking on this link <https://lmclko.renocampus.com/donate>
