

## **COLLEGE STUDENT PORTAL**

Parents are aware that the College uses electronic assistance in academics to enhance the transfer of information and to familiarise pupils with the latest digital technology in education. Parents are hereby informed that the College has merged the existing academic portal with the central portal of the College. In time, the Portal shall function as a single entity for all transactions with the College. This shall **now be called the COLLEGE STUDENT PORTAL (CSP)**. This shall **remain unchanged** through the duration of the pupil's tenure in this College. Access to the previous portal [lmcacademics.in](http://lmcacademics.in) shall no longer be possible, with immediate effect. Payment of **fees from the month of July, 2023** shall be via the **COLLEGE STUDENT PORTAL**.

With immediate effect, all academic components may be accessed by using the unique five digit **PERSONAL NUMBER** of each individual pupil.

**PROJECT WORK** instructions shall be visible from **15 July, 2023**. This shall include topics, instructions and deadlines for submission on line.

### **NOTE:**

**The COLLEGE STUDENT PORTAL is still under development.** The dynamic nature of the platform shall permit editing of academic material and instructions according to the exigencies arising from time to time. Parents and pupils are advised to log in regularly to receive updates on all matters related to the College.

It has been noticed that the platform works best when operated through a personal Computer. Mobile telecom facilities have different configurations which, in some conditions, do not provide the best response in operating the platform

Parents are cautioned that there are likely to be some glitches in the initial stages of this platform being made operational. Your polite feedback, if any, is requested via email at [principal@lamartinierelucknow.org](mailto:principal@lamartinierelucknow.org)
