Nevertheless, the College has adjusted its fee structure, in keeping with the provisions of the regulations.

## **ESTATE**

After a period of 11 years, the dispute with the Lucknow Golf Club was amicably resolved with a fresh lease on mutually acceptable conditions being signed. With this, the Lucknow Martin Charities receives a considerably improved lease rent, the College students learn the game during school hours and the general state of the property is well maintained. Similar legal procedures are to be implemented with other tenants of the Estate.

La Martiniere Estate is vast and has to be monitored constantly. A large number of personnel are employed for this. Much land is used for agriculture, the produce of which is used in the College kitchens. In August, 2018 a brazen attempt to grab a ten acre tract of land was made by certain individuals using muscle strength and firearms. Within hours, and in pouring rain, heavy machinery moved into the area and the piece of land was barricaded with sophisticated deterrents. ### **ACKNOWLEDGEMENTS**

Thanks are extended to the Trustees of the Lucknow Martin Charities and the members of the Local Committee of Governors, La Martiniere College for their guidance in all issues related to La Martiniere.

The cooperation of Mrs Aashrita Dass Principal of La Martiniere Girls' College, in all matters that concerns the Colleges jointly, is recorded with sincerity and gratitude.

Special thanks are extended to the alumni of the College. Their professional assistance the many areas of College life in which they now have expert knowledge is a store of goodwill which the College uses from time to time. The generous material gifts presented from time to time is gratefully received. Significantly, many prefer to function in complete anonymity, giving back to the College to the extent that they feel they have received. Their discretion in this matter is respected.

Individual contributors towards the development and progress of La Martiniere College and the estate have increased to the extent that it is now neither possible nor discreet to publicly record. Nevertheless, the thanks of the College is personally forwarded to each contributor at the appropriate time.

I am especially grateful to the team of Staff that runs La Martiniere College, Lucknow for their dedication and commitment to the areas of work which are defined for them. Invariably, most members of Staff go much beyond the call of duty. Often areas of work overlap. They carry out every task with autonomy, accountability and efficiency.

The boys of La Martiniere provide each person working here the impetus to put in their best. The natural gratitude, goodwill and affection that is received from the boys makes the job that is done far worthier than a professional responsibility. It is a great privilege to have these boys in our care.

**Vive La Martiniere!**
